

Farnham Science Fair 2017
Grades 4 and 5 Entry Form

All 4th and 5th grade students are required to complete a science fair project. The projects **must** be a science experiment, not a science demonstration. Entry forms are due by **Friday, January 27th**. Science boards and Farnham Science Fair Packets will be distributed to students on **Monday, January 30th**.

Student Name _____ Grade _____

Teacher _____ Room# _____

Science Project Title _____

Problem (What do I want to find out?) _____

Information I need to gather before I do my experiment _____

Hypothesis (What do I think will happen?) _____

Experiment Design (How can I test my hypothesis?)

****The previous information needs to be done in preparation for your science fair project. You will also need to perform the experiment, record and analyze your results, and develop a scientific conclusion about your results.**

All notes should be documented in your science notebook.

We have read and discussed the Farnham Science Fair Planning Guide and agree to follow the Science Fair rules, as described in the Farnham Science Fair Packet. We understand the science fair project is due on **Tuesday, March 28th, and that the 5th graders will be interviewed by judges on the 29th.**

Student Signature_____

Parent Signature_____

Before students can receive their project board and begin working on their science fair project, the project must be approved by their teacher.

I approve this student's science fair project.

Teacher Signature_____
